

# DISCOVER SERENITY IN THE LAP OF NATURE

## WELCOME

Open your eyes, take in a hundred- and eighty-degree view of the Himalayas.

Warm sunshine streams through the window, and gently washes over you. The sharp scent of pine mingles with the aroma of a freshly brewed cup of tea, plucked right off from Palampur's finest tea gardens. Wake up to the sounds of nature – even as you snuggle more deeply into the plush folds of your duvet.

It's not a dream. It's the Araiya Palampur.

Beautifully groomed gardens and forest that are spread across 2.7 acres, form an enchanting backdrop for sweeping views of the Dhauladhar Range, cradled within the Kangra Valley.

Stunning mountain vistas stream in through the windows and doors, and infuse the space with bright light and cool, crisp air.

Come home to the Araiya Palampur. It's your haven in the Himalayas.
