

Where Kerala's Misty Highlands Meet Stillness : A Retreat Crafted For Wellness And Renewal

Perched high in the hills of northern Kerala, Soul by Araiya Paithalmala - A Vihaara Resort - is a beloved escape where cool mountain air, sweeping valley views, and the quiet rhythm of the Western Ghats set the tone from the moment you arrive.

One of Kerala's most cherished highland destinations, Paithalmala draws those seeking refuge from the heat of the plains — its shola forests, rolling tea estates, and mist-touched mornings offering a natural backdrop for rest and renewal.

The retreat offers 18 thoughtfully appointed rooms and suites, each designed for privacy and framed by the surrounding landscape. Guests can unwind at the spa and pool, dine on multicuisine flavours, and venture out on mountain treks and tea estate tours — or simply pause and breathe it all in.
